

NJ – ESTIMATED TAX PAYMENTS – INDIVIDUALS

1. Click on the link below while holding CTRL to open the page:
[NJ Division of Taxation - Make an Online Payment](#)
2. Choose “Individual Tax Payment”.
3. Enter the taxpayer’s Social Security number and date of birth.
 - a. Do not use hyphens or dashes.
4. Select the type of payment by checking the appropriate option:
 - a. For estimated tax payments on the NJ tax return, select Option 4 or Option 5 at the top of the page (refer to the screenshot shown in Step 4).
5. Next, select the appropriate quarterly period for which the estimated tax payment is being made. Choose the payment method (credit card or electronic check), enter the payment amount, and click “submit”.
6. Complete the taxpayer information section and review the payment information. Click continue to proceed. On the following screen, review the information and continue to “make offsite Payment” to finalize the payment.

Step 1

[NJ Division of Taxation - Make an Online Payment](#)

Step 2

Step 3

Individual Income Tax Payment and Filing

Electronic Services

This page is for **Income Tax** payments, filings, and inquiries - as well as for repayments of excess property tax relief benefits (Senior Freeze or ANCHOR Benefit). **It cannot be used to make Inheritance or Estate Tax payments.** Go [here](#) if you want to pay other taxes online. If this is your first time filing a tax return with New Jersey, you cannot use this portal to make a payment. First-time filers should visit our [Where to Mail](#) page for directions on submitting your payment by mail.

Using the prompt below, you can:

- File for an extension of a deadline for income tax filings.
- Pay **income taxes only** by credit or debit card (fee applies) or arrange for a payment to be deducted from your bank account (e-check).
- Schedule payments or modify an existing payment.
- Make Estimated Income Tax payments and track your account.
- Pay bills resulting from corrections in Senior Freeze (Property Tax Reimbursement) or ANCHOR Benefit payments.

[Go here](#) if you have income tax payments other than estimated tax that are more than 60 days past due, and you want to check your unpaid balance before you pay.

To use the prompt, you must have your:

- Your **Social Security number** or **federal identification number** and your **date of birth**. If you are a married or civil union couple and filing a joint income tax return, enter the Social Security number listed first on your NJ-1040-ES payment voucher or on last year's income tax return.
- If you are the fiduciary (trustee, executor, or administrator) of an estate or trust, you will need the decedent's federal identification number as well as the date of the decedent's death or the date the trust was created. The death date or trust date can be found in lines one through four of form NJ-1041. Enter this date into the **Date of Birth** prompt.

Individual taxpayers should enter the appropriate Social Security number and birthdate. Estate trustees, executors or administrators should enter the federal identification number as well as death date or the date a trust was created. For issues with logging in, please contact our Customer Service Center at 609-292-6400 during normal business hours.

Enter Social Security Number or federal identification number: (Without hyphens or dashes)
 View entered identification number

Date Of Birth (Or, for estates, date of death or trust date.): Month Day Year

Step 4
